This event was planned to achieve 2 major things

- 1)Give career guidance to children
- 2)Help girls, and guide them regarding their safety and prosperity.

Teams were made to make best use of limited time and the children were guided and shown possible paths which they can choose from after completing their secondary education, a personalized feedback was given for students who had unconventional interests. They were guided to ensure they remain on the right track. The girls were taught how to defend themselves, and to understand and differentiate people based on their actions to ensure their safety. We then went on with a play session for the boys and a quilling session for the girls to keep them entertained. We ended the session by distributing books to all the students. A final interaction was conducted to clear any further doubts that the children had and take constructive feedback from them.

STREET CAUSE VBIT(2016-17)

TASK REPORTS

Task NO : 20

Task Name : Rice-Pulse Event

Venue : Arunodaya Orphanage.

Date : 29th January 2017

Don't you think the world's hunger is getting ridiculous ?!

There is more fruit in a rich man's shampoo than in a poor man's plate .

So the students of Street Cause VBIT were all set to make a difference .

In a short period of about 20 days their determination to end hunger lead to a massive collection of 117 KGS of rice and 12 KGS of pulses .

The generosity of the people was the only contribution to this event .

All of these were given to the ARUNODAYA ORPHANAGE .

Few clothes and shoes were also distributed to the children and a jolly time was spent with them .

The members of Street cause put up major efforts to collect rice and pulse from their friends, neighbours,relatives and everyone they knew . Social media was majorly used to spur our campaign .

People who wanted to make a difference but didn't knew how to begin found it a good path to make their contribution towards the society. After all, tiny drops together form an ocean .
