

ABOUT SAE

The Society of Automotive Engineers SAE International, initially established as the Society of Automotive Engineers, is a U.S.-based, globally active professional association and standards developing organization for engineering professionals in various industries. Principal emphasis is placed on transport industries such as automotive, aerospace, and commercial vehicles. SAE International is the premier world resource for the design, manufacturing, operation, and maintenance of automobiles, aircraft, space vehicles, off-highway equipment, trucks, buses, trains, marine craft, engines, and self-propelled vehicles. It is the largest automotive and aerospace standards-setting body in the world

SAEINDIA is a strategic alliance partner of SAE International registered in India as an Indian nonprofit engineering and scientific society dedicated to the advancement of mobility industry in India. Its members combine their specialized abilities to further advance the research, development, design, manufacture and utilization of vehicles which operate on land, water, air and space.

SAE STUDENT BRANCH OF VBIT

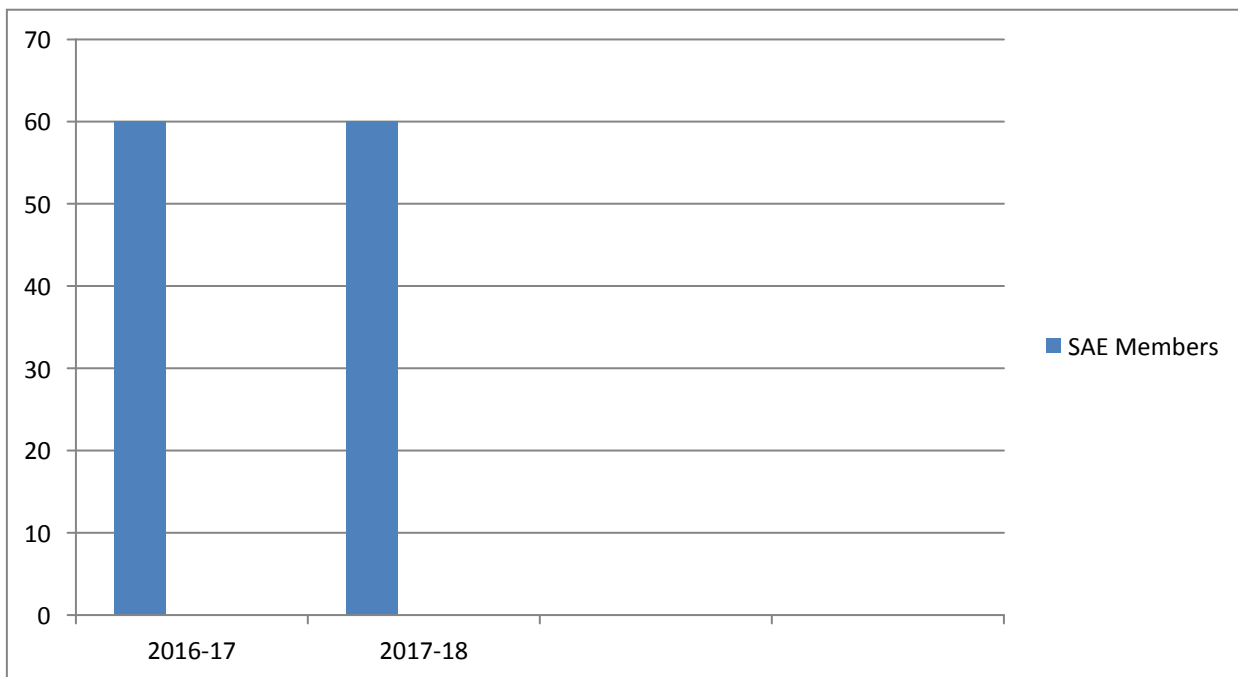

"Knowing is not enough, we must apply. Willing is not enough, we must do"

SAE VBIT SB was started in October of 2016 to encourage all the students of various streams to be inspired by innovative and practical methods to the field of automotive engineering, SAE VBIT SB is one of its kind as it incorporates all the various fields of engineering to achieve its objectives.

ANNUAL MEMBERSHIP DETAILS

Through SAEINDIA student membership, students can enjoy many of the services made available to SAEINDIA's regular members. Further, SAEINDIA Collegiate Clubs offer student members organized programs, design competition, networking opportunities with Industry leaders and leadership experience.

Membership year for new enrolment is April 1st to March 31st : Student applications received Jan' 1st through March 31st will be held for the next membership year beginning April 1st , if not stated implicitly.
